MEMORANDUM FOR: Headquarters, USAF
Washington 25, D. C.

ATTENTION: AFCE - 3

SUBJECT: Request for Reproduction Materials

1. A priority project requires, among other maps already available here in Washington, the use of reproduction materials of the U. S. Target Complex Series, Chart 100. The specific Chart is identified as the 1957 Base Edition, 0204-9994-100. The purple annotated overlay data is not required.
2. It will be appreciated if either negatives or positives on a stable base, whichever is the more convenient, be supplied this Agency by 25 July 1957.
3. A printed proof copy of the Chart attached to the reproduction materials will be most appreciated.
4. These reproduction materials when ready should be addressed to: Central Intelligence Agency, 2430 E Street, E. W., Washington 25, D. C., Attn: Cartography Division, CRR.
5. Your cooperation in fulfilling this requirement will be greatly appreciated.
